

# PARK RESERVATIONS AND PARTIES

Enjoy the green open spaces, fresh air and sunshine of Mission's City Parks. Select from seven spacious parks to treat yourself or the entire family to a day of rest or fun!

Mission's City Parks offer playground equipment, walking trails, shelters, barbeque grills, picnic areas, restrooms, ball fields and special event locations. Parks and recreational areas are located throughout the City of Mission. Each park is unique in its design and features.

The City of Mission also features the Mission Municipal Pool, open Memorial Day through Labor Day. The pool is located in Andersen Park. For pool information contact the Aquatics Coordinator, 913-722-8207.

Park Shelters rent for a maximum of 4 hours and Sports Fields can be reserved for up to 1 1/2 hours. All rentals subject to a \$50 security damage deposit.

## KIDS SWAGGER IN ... THEN STAGGER OUT!

### PLAY NEOS AT ANDERSEN PARK!

What is NEOS? It is an electronic game for the whole body—and everybody. Nine exciting games; three skill levels; it is technology with an aerobic twist. Four sleek towers house flashing lights, music and sound effects. Players run back and forth, racing the clock and each other to slap the blinking lights. Each game presents a different set of challenges. Each game strengthens the mind, challenges the body and delights the spirit. NEOS inspires laughter, smiles and high-energy cheers. It encourages memory retention, hand-eye coordination, physical strength and endurance.

NEOS is revolutionizing the playground in schoolyards, parks and community spaces. Its modern design protects against harsh weather—even vandalism. NEOS is an investment in physical fitness, community building, family life and education. It encourages teamwork and fosters healthy competition. People of all ages and activity levels can play, watch and enjoy.
